## Online Courseware

### ASU Global Digital English

Access to ASU Global Launch online courseware, which enables delivery of a comprehensive, high-quality English learning experience, getting students ready for careers and advanced education. The program consists of 14 courses, ranging from pre-zero beginner to advanced level (CEFR A1-C1), and covering the four core skills: reading, writing, listening, and speaking.

### Professional English

A practical, hands-on course that teaches students how to present themselves and how to communicate more effectively in a professional environment. Along 8 modules students are introduced to personal branding, email writing, short proposal writing, non-verbal and oral communicating and delivering an effective presentation.
